## WEBSITE/CD PERMISSION SLIP

In January 2005, Be WISE Camp established its own website. Through this website, information about camp can be disseminated faster than using other forms of communication. Questions about camp can be answered rapidly for campers and prospective campers alike. In June 2007, a Camp CD was also produced. One of the most popular parts of both the website and CD is the pictures of campers in various activities. None of the girls are ever identified.

The staff of Be WISE Camp would like to continue producing both the website and the Camp CD. In order for us to do so, we need you to sign the following permission slip. Please tear off the slip below, sign it, and send it to Jane Wilson by May 30. Thank you.
